1. The Contacts Division [ ] reports that Major Boris BAGULA has not yet arrived in the United States but is expected to be here before 20 December. The purpose of his trip is fourfold:

- a. to see the United States;
- b. to talk with members of the HRR in North America (65 of the total 125 actual members of the Rada are in the United States or Canada);
- c. to talk once more with [ ]
- d. to confer on operations with case officers in Washington.

2. ABRAMCHIK'S own itinerary for the next several weeks includes a trip to Canada (primarily Toronto) from 8 to 15 December and a conference in Washington between the 20th and the 22nd of December with BAGULA accompanying him.

3. ABRAMCHIK claims that BAGULA had an amicable discussion in Europe with [ ] but doubts the latter's motives for unspecified reasons. Perhaps BAGULA will clarify his distrust of [ ] of his own volition when he comes to Washington with ABRAMCHIK. BAGULA believes that the Ukrainians have done a great disservice to all the non-Russian races by their terrorist acts and methods in the emigration.
